PUBLIC INFORMATION NOTICE #8
FOR THE CONSTRUCTION OF THE
930 ZONE RECYCLED WATER RESERVOIR PROJECT

DATE: May 21, 2013

Dear Resident:

The Inland Empire Utilities Agency’s (IEUA) mass grading phase of the reservoir site is near completion. The majority of the heavy equipment will be removed during the weeks of May 20th and May 28th. A small number of equipment will continue to be used on site for the duration of the project.

Construction of the 5-million gallon steel reservoir will begin the week of May 28th.

Use caution when walking or driving on Galloping Hills Road when heavy equipment is being loaded onto trailers.

POSSIBLE INCONVENIENCES: Heavy equipment sounds. Noise levels will remain within the City’s noise ordinance levels. Slow moving construction equipment.

WORK HOURS: 7:00 a.m. to 5:00 p.m. Monday through Friday (no work on Memorial Day)

For questions or comments, please contact Michelle O’Brien at 909-993-1501.

Funding for this project has been provided in full or in part through an agreement with the State Water Resources Control Board and the Environmental Protection Agency. The contents of this document do not necessarily reflect the views and policies of either the State Water Resources Control Board or the Environmental Protection Agency, nor does mention of trade names or commercial products constitute endorsement or recommendation for use. (Gov. Code § 7550, 40 CFR § 31.20.)

For construction updates, please visit www.ieua.org. The City of Chino Hills website at www.chinohills.org will also provide you with a link to IEUA’s website.
