PUBLIC INFORMATION NOTICE #9
FOR THE CONSTRUCTION OF THE
930 ZONE RECYCLED WATER RESERVOIR AND PIPELINE PROJECT
TEMPORARY TRAIL CLOSURE

For public safety during construction of the Inland Empire Utilities Agency's recycled water reservoir and pipeline project, a portion of the trail will be temporarily closed from August 19, 2013 through December 20, 2013. See map below.

Project Benefits: Provides additional water source for irrigation and helps to drought proof the Chino Basin. The Inland Empire Utilities Agency is the lead agency for this project. For additional information please contact Michelle O'Brien at 909-993-1501 or mobrien@ieua.org.

Funding for this project has been provided in full or in part through an agreement with the State Water Resources Control Board and the Environmental Protection Agency. The contents of this document do not necessarily reflect the views and policies of either the State Water Resources Control Board or the Environmental Protection Agency, nor does mention of trade names or commercial products constitute endorsement or recommendation for use.
