

Public Information Notice #1

Pipeline Replacement Project

What: A portion of Phillips Boulevard will be temporarily closed to allow the Inland Empire Utilities Agency's (IEUA) contractor to replace an aging sewer pipeline. During this project, residents might smell some odor. All precautions will be in place to keep odors to a minimum.

Safety is our main concern and we ask for your assistance during this project by keeping children and pets away from work areas and observing all "Traffic Control and "Detour signs".

Traffic Detours:

- See map below
- Expect traffic delays

There will be no utility service interruptions.

When: February 17, 2014 through March 10, 2014
Closure will remain in effect 24 hours per day.

Days/Hours: Monday – Friday (possibly Saturday) 7:00 a.m. – 5:00 p.m. Rain Delays May Occur

Where: On Phillips Boulevard, East of Central Avenue.

Who: Please contact Michelle O'Brien at 909-993-1501 with questions.
