Inland Empire Utilities Agency Supports National Prescription Drug Take-Back Day

Inland Empire, California – On Saturday, April 30, 2016, from 10 a.m. to 2 p.m., facilities throughout the community will open their doors to receive unwanted or unused prescription medication during National Prescription Drug Take-Back Day. The event allows community members a venue to safely dispose of expired, unused and unwanted prescription drugs. Only pills or patches will be accepted. The service is free and anonymous.

Following is a partial list of drop-off locations in the Inland Empire:

- Walgreen's Pharmacy – (Check locations)
- Chino Police Department - 5450 Walnut Ave., Chino 91710
- City of Chino Household Hazardous Waste Collection Facility – 5050 Schaefer Ave., Chino 91710
- Chino Hills Sheriff Department - 14282 Peyton Dr., Chino Hills 91709
- City of Fontana Police Department – 17005 Upland Ave., Fontana 92335
- City of Fontana Household Hazardous Waste – 16454 Orange Way, Fontana 92335
- Montclair Police Department - 4870 Arrow Highway, Montclair 91763

The campaign informs California residents about the problems associated with flushing unused, unwanted and expired medications down the toilet or drain, and the program provides safe and proper disposal choices. Safely disposing of unused medications helps protect the environment and water supply. To learn more about safely disposing of prescription medication, please visit www.nodrugsdowndrain.org/NoDrugs/ or www.ieua.org.

The Inland Empire Utilities Agency covers 242-square miles, distributes imported water, provides industrial/municipal wastewater collection and treatment services, and other related utility services to more than 850,000 people. The Agency's service area includes the Cities of Chino, Chino Hills, Fontana, Montclair, Ontario and Upland, as well as the Cucamonga Valley Water District, Monte Vista Water District, and Fontana Water Company.
