

# Inland Empire Utilities Agency Water Association Leadership Breakfast

## *Regional Water Reliability*

**Presentation by: Charles Wilson**  
**Executive Director and CEO of Southern California Water Committee**

Charles Wilson has been a leading public affairs professional in southern California for more than 30 years and is a recognized leader in the industry. Wilson has spent the past 25 years in the electric utility industry with Southern California Edison where he led the development and implementation of third party strategic planning and communication efforts and aligned company interests with local, state and federal government officials and agencies.

Wilson now serves as Executive Director and CEO of the Southern California Water Committee, a nonprofit, nonpartisan, public education partnership between cities, counties, business, industry, agriculture and water agencies dedicated to securing reliable, affordable, quality water for southern California.

Wilson also serves as principal owner of PC Consulting Services Inc., a consulting firm dedicated to providing strategic counsel, public affairs, government relations and communications to public agencies, private sector business clients and non-profits.
