Scope: The WORK consists of all materials, labor, tools, equipment, apparatus, facilities, transportation and incidentals necessary to furnish, install, commission, start up and deliver a complete and fully functional project in accordance with Bid Documents. The project involves the construction of the upgrade and expansion of the Agency's existing RP-5 plant from a conventional activated sludge wastewater treatment plant to a 22.5 MGD water recycling treatment plant as shown and specified and with the capability of being further expanded to 30 MGD in the future. A detailed explanation of the project scope is listed in Section 01010 – Summary of Work. The project will be subject to California State Water Resources Control Board State Revolving Fund (SRF) grant requirements as included in Appendix PR-A. The site of the primary site of the WORK is located at Inland Empire Utility Agency's Regional Plant No. 5 (RP-5), located east of and adjacent to IEUA's headquarters at 6075 Kimball Avenue, Chino, CA 91708

Scope: The Inland Empire Utilities Agency ("IEUA") is accepting sealed bids at its Headquarters Facility at 6075 Kimball Avenue, Building "A", Chino, CA 91708. This project shall utilize the Standard Specifications for Public Works Construction (SSPWC) where applicable. For the purpose of this bid, this invitation for bids shall serve as the Special Provisions for the project and shall modify the SSPWC as noted. This will be a fast track project with shorter bid and award and construction duration than normal projects due to limited project scope.

Scope: It is the Agency's intent to perform necessary surface preparation, repair of damaged concrete, and application of a coating system to the interior concrete surfaces of four containment structures at Agency owned properties in Ontario, California. Three containment areas are located at IEUA's Regional Water Recycling Plant No. 1 (RP-1) at 2662 East Walnut Street and one at Philadelphia Lift Station at 1818 East Philadelphia Street. See Attachment A for project location maps.
