Inland Empire, CA –During Tuesday’s Diversity Professional’s 4th Annual Women of Excellence Awards ceremony, Jasmin A. Hall, Inland Empire Utilities Agency’s (IEUA) Board President was presented with their *2021 Women of Excellence Leadership Award*.

The Women of Excellence Awards was established by Diversity Professional magazine in 2017 to celebrate extraordinary women of diversity who operate at the highest level of excellence in their businesses, careers, communities and organizations. “I am humbled to receive such an important award that encompasses the values of diversity, leadership, empowerment, professional excellence, and inclusion,” said Hall. “As a representative for the Inland Empire community and as President of the IEUA Board, I am committed to supporting initiatives that provide information, access and opportunity. As reinforced by all of the Diversity Professional award winners, it is imperative to use leadership as a tool to help others succeed.”
