LEARN WITH IEUA!

DISCOVER THE ENVIRONMENT AND WATER (DEW) FIELD TRIP PROGRAM
PART OF IEUA'S WATER DISCOVERY EDUCATION PROGRAM

Our Discover the Environment and Water (DEW) field trip program is catered to students K-12th grade! Join us for a guided nature walk through the Chino Creek Wetlands and Educational Park and take part in fun-filled activities that align with Science, Technology, Engineering, Art, Mathematics (STEAM) and Common Core standards. Students will learn how they can be an environmental steward and help preserve one of the Earth's most valuable resources—water!

WATER IS LIFE STUDENT ART POSTER CONTEST

Using the theme “Being water-wise is...,” K-12 students are invited to create an art poster depicting various water uses, ways to use water more efficiently, or water conservation topics. 2027 poster contest details to be announced in late fall 2025.

WATER SCOUT BADGE PROGRAM

Earn your Fun Badge by completing our Water Scout Badge Program! The program will teach Boy Scouts and Girl Scouts about our water resources, native plants, and sustainability while taking them on a scavenger hunt through the Chino Creek Wetlands and Educational Park. Visit ieua.org to download the Water Scout Workbook and get started!
