Kevin Alexander Appointed General Manager for the Inland Empire Utilities Agency

INLAND EMPIRE, CA – At the Inland Empire Utilities Agency’s (IEUA/Agency) Board Meeting on, April 15, 2026, the Board of Directors appointed Kevin Alexander as its General Manager, effective April 16, 2026.

“I’m honored to step into this role and continue serving our community. Having worked closely with the IEUA team over the last year and a half, I’ve seen firsthand the dedication and expertise that drive this Agency forward,” stated Alexander. “Together, I hope to continue to build on that strong foundation to provide reliability, transparency, and sustainable water management for our communities.”

Currently serving as IEUA’s Acting General Manager, Mr. Alexander holds a Bachelor of Science in Civil Engineering from the Missouri University of Science and Technology. He brings over three decades of experience focused on water, wastewater, recycled water planning, engineering, and operations, growing through his career to lead private sector business and public agency management. His broad background is a perfect fit for IEUA’s complex and innovative water supply, wastewater treatment, and recycling programs. Prior to his current role, Mr. Alexander served as IEUA’s Deputy General Manager.

“Kevin brings a wealth of experience and deep knowledge of the Agency’s operations. His leadership and expertise will be invaluable in ensuring stability in the region.” stated IEUA Board President Steve Elie. “His extensive knowledge and experience in water and resource management will be increasingly valuable in maintaining IEUA’s mission and vision.”

###

The Inland Empire Utilities Agency (IEUA/Agency) is an innovative, forward-thinking Agency serving over 950,000 residents across 242-square miles in western San Bernardino County. The Agency is committed to supporting the needs of its service area and safeguarding public health through its significant investments in developing a diversified water supply portfolio, developing reliable municipal/industrial wastewater collection and treatment services, and other related utility services in a regionally planned and cost-effective manner. IEUA’s mission ensures long-term success for the region and its customer agencies which include Chino, Chino Hills, Cucamonga Valley Water District, Fontana, Fontana Water Company, Montclair, Monte Vista Water District, Ontario, San Antonio Water Company, Upland, and West Valley Water District.
